

Southwind is growing!

We are expanding our camper capacity. With our new dorm, 300 beds are full each week and we are maxed beyond capacity in the existing Dining Hall. Our goal is to have a new Kitchen/Dining Hall and we are inviting you to join us to help “fill” each table and chair!

“I love meals at camp! We get to eat all we want, laugh and be like family!”

- Julia from Wyldlife Weekend

We are extending the opportunity to invest in this special building:

- where kids are served family-style meals three times a day
 - where kids look at each other and their leaders face to face
 - where kids form bonds that impact their lives in the name of Jesus.

Each table and set of 8 chairs can be sponsored!
